- Product dimensions (W x H x D): 210 x 158 x 39.5 mm
- Product weight: 0.79 kg

Highlights

MP3-CD, CD and CD-RW music
MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A singe CD can store up to 10 hours of music.

Dual TFT LCD display screens
Dual screens allow you to display same videos or images from the portable DVD players. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favorite DVD movies and JPEG photos with family and friends at the backseats easily and comfortably.
